---

## PROJECTS

1. **Art Right** (*Online Shikha's Art Institute*) - [Live Project](#) - [Documentation](#)
  - Built a MERN stack online art education platform for students to enroll and learn Art and Craft courses from beginner to advanced levels.
  - Implemented secure and role-based access control (Student / Teacher / Admin), JWT authentication, and Firebase login.
  - Built admin and teacher dashboards for course management, student tracking, enrollments, payments, and platform control.
  - Integrated QR-based UPI payments, invoices, email notifications, certificates, recorded/live classes, and PWA support for a complete digital classroom experience.
2. **Placement Right** (*Placement Preparation Application*) - [Live Project](#)
  - Created a MERN stack quiz platform offering tailored quizzes on aptitude and reasoning for placement exam preparation.
  - Tracks progress and ranks students on a live leaderboard, encouraging continuous improvement.
  - Designed for easy navigation, making quiz participation and performance tracking simple and engaging.

---

## INTERNSHIP EXPERIENCE

- **Full Stack Developer, IQ Paths Technologies Pvt. Ltd. Indore** - [Live Project](#) April 2025 - October 2025
  - Implemented a dynamic resume builder application using React and Node.js, enabling users to create, customize, and export professional resumes with real-time previews.
  - Implemented login authentication with both normal login and Firebase for secure access.
  - Created various resume templates that users can customize to generate their own resumes.

---
