Class 10th - 89%
-

PROJECTS

1. **Art Right** (*Online Shikha's Art Institute*) - [Project Link](#)
 - Developed a MERN stack-based online art education platform enabling students to enroll and learn art & craft courses from beginner to advanced levels.
 - Implemented secure role-based access control (Student / Teacher / Admin), JWT authentication and Firebase login.
 - Built admin and teacher dashboards for course management, student tracking, enrollments, payments, and full platform control.
 - Integrated QR-based UPI payments, invoices, email notifications, certificates, recorded/live learning, and PWA support for an end-to-end digital classroom experience.
 2. **Placement Right** (*Placement Preparation Application*) - [Project Link](#)
 - A MERN Stack quiz platform offering tailored quizzes on coding, aptitude, and reasoning to help students ace placement exams.
 - Tracks progress and ranks students on a live leaderboard, motivating continuous improvement.
 - Developed for easy navigation, making quiz participation and progress tracking simple and engaging.
-

INTERNSHIP EXPERIENCE

- Full Stack Developer, IQ Paths Technologies** - [Project Link](#) **April 2025 - October 2025**
- Developing a dynamic resume builder application that enables users to create, customize, and export professional resumes with real-time previews using React and Node.js.
 - Implemented a scalable Node.js backend with template management functionality, ensuring efficient performance and smooth data handling.
-
